

1 UNITED STATES DISTRICT COURT
2 DISTRICT OF NEVADA

3 CRISS L. ROGERS,

4 Plaintiff

5 v.

6 C R BARD INCORPORATED and BARD
7 PERIPHERAL VASCULAR
INCORPORATED,

8 Defendants

Case No.: 2:19-cv-01581-APG-BNW

**Order to Show Cause Why This Case
Should Not Be Dismissed for Lack of
Subject Matter Jurisdiction**

9 The MDL Master Complaint asserts that jurisdiction in this court is based on diversity
10 and that the unofficial southern division of this district is the proper venue. ECF No. 1.

11 However, the complaint does not contain facts regarding the parties' citizenship. It also does not
12 specifically allege that the amount in controversy exceeds \$75,000, although it includes facts that
13 appear to support that the jurisdictional threshold is satisfied. *Id.* at 4. Finally, the complaint
14 does not contain sufficient facts to determine whether the case is properly filed in the unofficial
15 northern or southern divisions of this court. *See* LR IA 1-8(a).

16 I THEREFORE ORDER that by February 7, 2020, the plaintiff shall show cause in
17 writing why this action should not be dismissed for lack of subject matter jurisdiction (including
18 any additional information the plaintiff would like to present regarding the amount in
19 controversy) and shall present facts relevant to determining in which unofficial division this case
20 should have been filed.

21 DATED this 8th day of January, 2020.
